

SEND and Inclusion Reviews

Work with our professional SEND & Inclusion Advisers to:

- consider the lived experience of children and young people with SEND
- review and quality assure provision with experienced professionals
- support strategic action planning and school development plans
- reinforce self-assessment with external validation

"It was a supportive and productive day which helped us to realise our strengths and focus on where we need to improve."

School Leader.

The review will help your school to align with

- ✓ the West Sussex Inclusion Framework
- ✓ the West Sussex Ordinarily Available Inclusive Practice Guide
- ✓ the Ofsted Education Inspection Framework
- ✓ Public Health England guidance
- ✓ National Institute for Clinical Excellence (NICE) Guidelines

Small schools: £750 (less than one form entry)

Primary schools: £1050

Secondary schools: £1500

Due to capacity, priority may be given to schools or localities purchasing packages, or schools requiring improvement. Additional half-day follow up consultations are also available.
